

LIBERAL DEMOCRATS - FIGHTING FOR A FAIR DEAL FOR NEWARK

Lib Dem DAVID WATTS is determined to get a fair deal for our area. It's time we brought back honesty, integrity and compassion to politics in Newark. DAVID is the person to do that. DAVID is campaigning to improve access to GPs and dentists, tackle the cost of living crisis, and get a fair deal for our precious NHS.

The Conservative Government has taken Newark for granted for years. They have broken our NHS, caused a cost of living crisis, ignored climate change and failed to tackle sewage dumping in our waterways.

David Watts

A strong voice for Newark

✔ Better access to GP and dental services

Everyone should be able to rely on quick access to high-quality local health services when they need them. **David** will work to make it easier to get a doctor and dentist appointment.

✔ Taking real action to tackle climate change

Climate change is real and we need urgent action to address it. Lib Dems will make sure that there is a comprehensive plan to change the situation.

✔ Stopping sewage dumping in our rivers

The Conservatives have let water companies get away with dumping sewage into our rivers for too long. The Lib Dems will fight to protect our environment and punish rule breaking water companies.

✔ Tackling the cost of living crisis

The Conservatives have wrecked the economy, leaving people struggling to make ends meet. We need a fair plan to get through this cost of living crisis.
